BOOKS OF OPPORTUNITY

Book Donations

Our project for school is collecting books. We will be collecting books for the purpose of donating them to people in need. Our mission is to promote literacy. The place we want to donate the books to is called UMOM. UMOM provides a safe place for women and children who are escaping domestic violence, education and more beneficial acts that require books and we would like to provide books to the people there.

**DONATION BOXES WILL BE PLACED BY THE FRONT
OF DGM.**
