

Dear Parents,

Please find your weekly COVID-19 and community update below. Please be sure to read the letter in its entirety as our policy has been updated.

HOME QUARANTINE POLICY

After review and discussion with the Safety Task Force, we have updated our home quarantine policy as follows:

- If a student is exposed to someone with COVID-19, the student must remain in home quarantine for 10 days. If the student is symptom-free, they may return to school on the 11th day.
 - Previous policy required a 14-day home quarantine with return on the 15th day
 - Current policy is aligned with [CDC quarantine recommendations](#)
 - These changes will be published on the DGM website by end of day January 20, but they are effective at the time of this letter's publication

CLASSROOM 6 AND CLASSROOM 7

In alignment with our policy update, **Classroom 6 and Classroom 7 students may return to school on Wednesday, January 20.** Please note, for return to school, your child must be symptom-free.
